

A DAY OF BEAUTY

THE 6TH AHO BREEDERS' EGYPTIAN CHAMPIONSHIP

By HT Staff

SET ON THE EDGE OF THE DESERT UNDER SWAYING PALMS AMIDST BEAUTIFULLY GROOMED GROUNDS, ARENAS AND STABLES, RABAB STUD ONCE AGAIN HOSTED THE ARABIAN HORSE ORGANIZATION'S BREEDERS' EGYPTIAN CHAMPIONSHIP FROM 8 TO 10 DECEMBER WHERE THE BEST OF THE BEST OF HOME-BRED EGYPTIAN ARABIANS WERE ON DISPLAY TO BE TESTED UNDER THE CRITICAL EYES OF EXPERT INTERNATIONAL JUDGES.

More than **50 stud farms and breeders** participated in this very well organized event for the chance to earn the respect of not only their local peers but the entire international Arabian Horse community and to prove the success of their breeding programmes.

The final day was one of those glorious crisp and cool Cairo winter days but the action in the showing ring was hot with each Equine contestant showing fire under the urging of the screams and whips of youth in the stands while the judges glided serenely and silently through the field discretely tabbing in their marks on their palm-held electronic tabulators. Almost immediately following the exit of a contender his results were announced and displayed prominently on an electronic board in every detail for all to see.

The care and attention taken by the show organizers for the comfort of the breeders and spectators attending was flawless with comfortable VIP seating at tables arranged with flowers and with tea and coffee service readily available. The showing arena itself was a garden of beauty.

While many of the scores of the top contenders were almost too close to call, at last the Champions were named. And here are the Champions of the **6th AHO Breeders' Egyptian Championship**.
